22 Plaintiffs LIANA NITKA, individually and on behalf of all others similarly situated, for
23 their complaint against defendants REGENTS OF THE UNIVERSITY OF CALIFORNIA
24 LOS ANGELES ("UCLA"), a public nonprofit corporation, and DOES 1 through 100, allege
25 as follows:
26
27
28

1 INTRODUCTION AND FACTS RELEVANT TO ALL CAUSES OF ACTION

2 1. In the Spring of 2024 -- fearful of demonstrations sprouting up at other campuses,
3 repercussions from “diversity and equity” leaders and the cutting off of university funding by the
4 Hamas-supporting Biden Administration -- the Regents of the University of California, Los
5 Angeles (“UCLA”), (collectively “Defendant University”) invited, encouraged, aided, abetted,
6 permitted, allowed, and subsequently appeased, enabled and negotiated with violent, sword and
7 other weapon-wielding, Jew-hating Hamas-supporting campus terrorists antisemites (the
8 “Campus Terrorists”) who infiltrated and overtook its Los Angeles campus (the “Encampment”),
9 setting up tents and occupying UCLA property under the Defendant University’s watchful eyes.
10

11 2. The Campus Terrorists’ intent and the avowed purpose of the Encampment – clear to most
12 reasonable persons with common sense - was to create and sow division through acts of
13 disruption, chaos and dissension on the Defendant University’s campus. Among other things, the
14 Campus Terrorists sought to and in fact did disrupt classes, overtook University buildings and
15 property, and most importantly, terrorized and victimized blameless Jewish Students and Faculty
16 in a rein of terror under the hoax, guise, and “cover” of engaging in peaceful protests to support
17 fictitious victims of the Israeli government’s alleged “Palestinian Genocide.” The hoax was
18 enabled by and perpetrated under the Defendant University’s watchful eyes to such an extent that
19 the Jewish Students and Faculty were so fearful for their lives and safety that they could not
20 appear in the Defendant University’s “town square” or anywhere else on campus without being
21 verbally or physically assaulted by the Campus Terrorists, as well as the Campus Terrorists’
22 student supporters lulled in by the false sense of security afforded to them by the Defendant
23 University’s “appeasement” policy of coddling the Campus Terrorists. Jewish Students and
24 Faculty were touched without their consent and spat on by the Campus Terrorists if they dared to
25 cross into the Encampment. Their fear was and still is genuine and palpable. The fear was and is
26
27
28

1 made worse by the Defendant University's encouragement of the offensive conduct for weeks on
2 end before finally taking steps of remediation.

3 3. Alternatively, Jewish Students and Faculty were told by the Defendant University to work
4 remotely from home, or remain in their offices or dorms for their "own safety." Classes and
5 commencement exercises were cancelled as the Defendant University continued to appease,
6 coddle and negotiate with the Campus Terrorists. Jewish Students and Faculty, (including the
7 Plaintiffs herein) were not allowed to attend classes as usual or give lectures or grade papers on
8 site and could not walk safely to class or their offices on campus without being assaulted by the
9 Campus Terrorists. ("Video shows anti-Israel protesters block Jewish student from getting to
10 class; UCLA responds" [https://www.foxnews.com/us/video-shows-anti-israel-protesters-block-](https://www.foxnews.com/us/video-shows-anti-israel-protesters-block-jewish-student-getting-class-ucla-responds)
11 [jewish-student-getting-class-ucla-responds](https://www.foxnews.com/us/video-shows-anti-israel-protesters-block-jewish-student-getting-class-ucla-responds))
12

13 4. Meanwhile, other Hamas-leaning and supporting faculty members hired by Defendant
14 University to abide by DEI quotas continued to encourage students attending classes to
15 participate in the chaos and disruption created by the Campus Terrorists by offering such students
16 extra credit and better grades for participating, all with the knowledge and consent of the
17 Defendant University.
18

19 5. At all times herein mentioned, the Defendant University also knew or should have known
20 that nearly half of the Campus Terrorists creating, managing and equipping the Encampment and
21 causing the harm to Jewish Students and Faculty, creating the chaos and disruption and
22 overtaking the Defendant University's buildings and property, were and still are in fact paid
23 outside agitators rather than genuine students attending classes at the Defendant University who
24 were and are instigated and funded by wealthy Democrat Party donors and radical Democrat Left
25 Wing political action groups, including the Rockefeller Brothers Fund, Tides Center, Soros
26
27
28

1 Foundation and Popular Front for the Liberation of Palestine (“PFLP”), all done under the
2 Defendant University’s watch. (New York Post, various articles, April – May 2024).

3 6. Far from “peaceful protests” and the “free speech” narrative promulgated by the
4 Democrat-party controlled media, Democrat congressmen and the Democrat Party itself, the
5 dangerous hate-filled, violent, and anti-Semitic speech included rote comments repeated ad
6 nauseum through megaphones that were so offensive to any Jew that it offends them to hear it,
7 eliciting memories of the Holocaust and October 7, 2023 -- slogans that include “Death to Israel”
8 (the only *Jewish* nation state in the world and a common refrain of Iranian fanatics and their
9 proxies), and not surprisingly, “Death to America.” Violent, hate-filled speech is not only
10 offensive and hurtful, it is dangerous and not protected by the First Amendment.

11 7. The purpose and intent of the Campus Terrorists was not to peacefully protest but to
12 terrorize, intimidate, assault, and shame Jewish Students and Faculty members and interfere with
13 their right to freely travel to and from classes, offices, and otherwise accessing other facilities at
14 the Defendant University by threats, intimidation, and coercion. All of this was done to harm
15 Jewish Students and Faculty members and create the equivalent of a hostile work environment,
16 with the knowledge, consent, and blessings of the Defendant University.

17 8. The Campus Terrorists’ purpose was encouraged, and aided and abetted by the Defendant
18 University. The Defendant University invited Hamas-supporting groups to speak at UCLA
19 notwithstanding the rampant anti-Semitism spewed by such groups; encouraged Hamas-leaning
20 and -supporting faculty members to spew anti-Semitism and hatred of Jews and the State of
21 Israel, the only Jewish country in the world (“UCLA made med students attend lecture given by
22 Hamas supporter” <https://nypost.com/2024/04/04/us-news/ucla-made-med-students-attend-lecture-given-by-hamas-supporter/>).

1 9. Defendant University allowed the Campus Terrorists to continue their anti-Semitic
2 campaign against the Defendant University's large Jewish student body and faculty unabated
3 until [APRIL 24 FOR USC/MAY 5 FOR UCLA], when the Defendant University finally allowed
4 the Los Angeles Police Department ("LAPD") to clear the Encampment and arrested [93 people
5 for USC/over 200 for UCLA] people on suspicion of trespassing ("UCLA struggles to recover after
6 200 arrested, pro-Palestinian camp torn down" [https://www.yahoo.com/news/ucla-declares-unlawful-
7 assembly-poised-012857681.html](https://www.yahoo.com/news/ucla-declares-unlawful-assembly-poised-012857681.html)). Plaintiffs are informed and believe that the Defendant
8 University has refused to press charges and that none of the offending Campus Terrorists –
9 arrested or otherwise – suffered any consequences, further enabling anti-Semitism to fester and
10 spread throughout Defendant University's UCLA campus even after the removal of the
11 Encampment. For example, as of May 7, 2024, Hamas-supporting protests were continuing at the
12 Defendant University's UCLA campus, with Palestinian flags and students or outside supporters
13 sporting Palestinian flags and other terrorist garb, including green Hamas headbands and
14 Keffiyahs [within sight of Ackerman Union] ("See aftermath of UCLA protest encampment in
15 front of Royce Hall" <https://www.youtube.com/watch?v=7zyuWu0dKGs>).

16
17
18 10. Despite Defendant University's call for LAPD's belated intervention, the offending
19 Campus Terrorists were all released without bail to launch their attack again spurred on by
20 outside agitators funded by the Rockefeller Center and other Jew-hating organizations, such as
21 Tides and George Soros.

22
23 11. The Defendant University, one of America's leading universities, has for decades been
24 one of the worst centers of academic anti-Semitism in the United States. Since October 7, 2023,
25 when Hamas terrorists invaded Israel and slaughtered, tortured, raped, burned, and mutilated
26 1200 people – including infants, children, and the elderly – anti-Semitism at Defendant
27 University has been particularly severe and pervasive. Defendant University faculty and students
28

1 have openly lauded Hamas' October 7 atrocities as astounding, awesome, and great feats. Mobs
2 of pro-Hamas students and faculty have marched by the hundreds to Defendant University's
3 UCLA campus shouting antisemitic slogans, including calls for genocide, such as: Jews will not
4 defeat us; there is only one solution, intifada revolution; we will honor our martyrs; resistance is
5 justified; by any means necessary; from the river to the sea and in Arabic, from water to water
6 Palace Dean will be Arab ("UCLA faculty protest at Hammer Museum gala, decrying treatment
7 of pro-Palestinian students" [https://www.yahoo.com/news/ucla-faculty-protest-hammer-museum-](https://www.yahoo.com/news/ucla-faculty-protest-hammer-museum-051834174.html)
8 [051834174.html](https://www.yahoo.com/news/ucla-faculty-protest-hammer-museum-051834174.html)).

10 12. These mobs have occupied Defendant University's buildings, promoted violence against
11 and restricted access to Jewish Students and Faculty members, caused cancellation of classes and
12 commencement exercises, and harassed and assaulted Jewish Students and Faculty members on
13 campus ("Rioters have accomplished nothing but interfere in students' finals and graduations"
14 <https://www.yahoo.com/news/letters-editor-world-much-evil-100019233.html>) ('UCLA student
15 slams university for 'encouraging violence,' turning campus into 'war zone': 'This is a disgrace'
16 [https://www.foxnews.com/media/ucla-student-slams-university-encouraging-violence-turning-](https://www.foxnews.com/media/ucla-student-slams-university-encouraging-violence-turning-campus-war-zone-disgrace)
17 [campus-war-zone-disgrace](https://www.foxnews.com/media/ucla-student-slams-university-encouraging-violence-turning-campus-war-zone-disgrace)).

19 13. Jewish Students and Faculty members have been spat at and faculty physically assaulted,
20 threatened and targeted on campus and social media with epitaphs such as death to Jews.
21 Defendant University has helped promulgate anti-Semitism in its courses and dismissed and
22 intimidated students who object. What is most striking about all of this is Defendant University's
23 abject failure and deliberate refusal to act to stop and deter this outrageous anti-Semitic conduct
24 and discipline the students and faculty who perpetrated it. In fact, the Defendant University
25 encouraged the conduct by its appeasement policy in the face of hate speech, dangerous
26
27
28

1 misconduct in other actions that it knew or should have known would create the worst and most
2 insidious hostile anti-Semitic work environment.

3 14. The Defendant University's anti-Semitism manifests itself in a double standard invidious
4 to Jewish Students and Faculty members. Defendant University selectively enforces its policies to
5 avoid protecting Jewish Students and Faculty members from harassment, hires professors who
6 support anti-Jewish violence and spread anti-Semitic propaganda, and ignores Jewish Students
7 and Faculty pleas for protection. Defendant University permits students and faculty to advocate
8 without consequence, the murder of Jews and the destruction of Israel, the only Jewish country in
9 the world.
10

11 15. Plaintiffs and other similarly situated Jewish Student and Faculty members, and numerous
12 others have explicitly and repeatedly warned Defendant University that its severe and pervasive
13 hostile anti-Semitic environment harms Jewish Students and Faculty members. In fact, Defendant
14 University has been aware of its anti-Semitism problem for years, but its response has been
15 utterly ineffective and clearly unreasonable in tolerating and even enabling anti-Semitism.
16

17 Defendant University has abjectly failed to enforce its policies and discipline those responsible
18 for turning Defendant University's UCLA campus into a severely hostile environment for its
19 Jewish Students and Faculty members, including the Individual Plaintiffs and other similarly
20 situated Jewish Student and Faculty members. When, in clear violation of Defendant
21 University's policies, a mob of students overtook a campus building to further their anti-Semitic
22 agenda, Defendant University's response was not to remove and discipline them, but to enable
23 them to conceal their identities by supplying them with supplies and ammunition that the mob
24 subsequently used against LAPD ("Law enforcement sent to UCLA following attack on
25 encampment" <https://ktla.com/news/california/law-enforcement-restores-order-at-ucla-following-attack-on-encampment/>) ("College Protests: Police On Campus at Columbia and UCLA"

2 [adams-tells-protesters-to-leave](https://www.bloomberg.com/news/articles/2024-05-01/ny-police-amass-near-columbia-as-adams-tells-protesters-to-leave)).

3 16. Defendant University’s longtime practice when it comes to anti-Semitism—of refusing to
4 enforce its own policies against discrimination and harassment—ensured that Hamas’ October 7
5 terrorist attack would enormously intensify the anti-Jewish abuse on campus. Shockingly,
6 numerous students and faculty members at Defendant University have openly endorsed Hamas
7 and the horrific October 7 massacre of Israelis it perpetrated even though: Hamas, since its
8 founding in 1987, has perpetrated numerous suicide bombings and other terrorist attacks against
9 civilians; Hamas vows to kill and destroy Jews and Israel; the U.S. State Department has
10 designated Hamas as a Foreign Terrorist Organization; and Hamas repeatedly proclaims its
11 determination to repeat the October 7 atrocities until its genocidal aims are achieved. Many of
12 Defendant University’s students and faculty support Hamas and condemn Israel for defending
13 itself against Hamas’ terrorist attacks—but they are never heard to condemn, let alone rally
14 against, Syria and Yemen, which have killed hundreds of thousands of Arab civilians, or
15 Pakistan, which is currently expelling almost two million Afghan Muslims, or China, which has
16 imprisoned its Muslims in reeducation camps, or countries including Somalia and Nigeria, where
17 Christians are regularly murdered (“Campus chaos and anti-Israel rhetoric reveal stark failures of
18 today’s higher education” [https://www.foxnews.com/lifestyle/campus-chaos-anti-israel-rhetoric-](https://www.foxnews.com/lifestyle/campus-chaos-anti-israel-rhetoric-reveal-stark-failures-today-higher-education)
19 [reveal-stark-failures-today-higher-education](https://www.foxnews.com/lifestyle/campus-chaos-anti-israel-rhetoric-reveal-stark-failures-today-higher-education)).

20
21
22
23 17. Subjected to intense anti-Jewish vitriol, including from their own professors and
24 Defendant University, the Individual Plaintiffs and other Jewish Students and Faculty members
25 have been deprived of the ability and opportunity to fully participate in Defendant University’s
26 educational and other programs and have been placed at severe emotional and physical risk.
27 Defendant University’s double standard extends to depriving Jewish Students and Faculty
28

1 members equal time to express contrasting pro-Jewish views (“UCLA silent on approving anti-
2 jihad campus speaker event amid campus protests” [https://www.foxnews.com/media/ucla-silent-](https://www.foxnews.com/media/ucla-silent-approving-anti-jihad-campus-speaker-event-amid-campus-protests)
3 [approving-anti-jihad-campus-speaker-event-amid-campus-protests](https://www.foxnews.com/media/ucla-silent-approving-anti-jihad-campus-speaker-event-amid-campus-protests)).

4 18. In short, Defendant University has permitted endemic antisemitism to exclude Jewish
5 Students and Faculty members from full and equal participation in, and to deprive them of the full
6 and equal benefits of, their educational experience at Defendant University, and has invidiously
7 discriminated against them by, among other things, failing to protect them in the same way
8 Defendant University has protected other groups all based on their race, ethnicity, religion,
9 citizenship, and/or national origin. That Defendant University has done so for many years and
10 continues to do so to this day further confirms that it has responded to anti-Semitism with at best
11 deliberate indifference, that Defendant University cannot be left to its own devices, and that its
12 response has been clearly ineffective and clearly unreasonable (“UCLA Chancellor Gene Block
13 Criticized for Slow Action After Week of Chaos, Violence on Campus” [https://www.wsj.com/us-](https://www.wsj.com/us-news/ucla-chancellor-gene-block-criticism-protests-80c6ba2b)

17 19. As alleged herein, Defendant University’s actions, including its deliberate indifference to,
18 and indeed enabling of, anti-Semitism on its campus, constitute an egregious violation of
19 California’s Bane, Unruh, and Ralph Civil Rights Acts (California Civil Code sections 51, 52.1
20 and 51.7), not to mention create a dangerous condition of public property – the Defendant
21 University’s UCLA Campus itself, which proximately caused the assault and battery perpetrated
22 by the mob on Plaintiffs

23 20. Defendant University must now be compelled to implement institutional, far-reaching,
24 and concrete remedial measures. Defendant University must also pay damages to Plaintiffs—who
25

1 have been robbed of their college and graduate school experience—to compensate them for the
2 hostility they have been forced to endure as a consequence of Defendant University’s unlawful
3 conduct.

4
5 THE PARTIES

6 21. Plaintiff LIANA NITKA (“Liana”) is a Jewish – Israeli Senior University Student
7 expecting to graduate in May 2024.

8 22. Liana is suing herein individually and on behalf of all others similarly situated, as more
9 particularly set forth in the “Class Action Allegations” set forth herein below.

10 23. The following is Liana’s brief personal diary of her own highly offensive and obnoxious
11 individual anti-Semitic experiences at Defendant University:

12
13 Before October 7:

14 24. The first incident that occurred was in October/November 2022 in my Anthro 4-Culture &
15 Communication class where my TA stated, “Zionists are white supremacists.” This was when we
16 were learning about Israeli/Mizrahi music origins. Another incident was in February 2023 when my
17 TA for my Cluster 60B class-America in the 60s, wore a “Free Palestine” shirt while teaching my
18 section. In June 2023, I was in my lounge and noticed that someone drew a depiction of Hitler with a
19 swastika on the lounge board. When I reported it to the housing department, they did nothing despite
20 claiming to “investigate the particular incident.”

21
22 After October 7:

23 25. Professor Maylei Blackwell taught my fall quarter 2023 class: Chicana/o & Central American
24 Studies M144 also under the titles of Gender Studies M144 and Labor Studies M144. This class is
25 called “Women's Movement in Latin America” and, as the title suggests, was a course designed to
26 teach about feminism in the Latin American region. During class on 11/13/23, Professor Blackwell
27 added to her lecture an extra credit assignment to attend the meeting called “The Genocidal Assault on
28

1 Palestine.” This is an issue for [Israeli] students like me who don't align with this position since she
2 only offered extra credit to those who aligned with her position on the conflict and claimed that it
3 “dealt with feminism.” Another issue that arises is that she was blatantly attacking Zionist identity
4 during class, even though the course subject does not align with the topic of the Israel-Palestine
5 conflict.
6

7 26. Towards the end of the winter quarter of 2024, 03/20/24, a large figure of a pig depicting
8 Jews/Zionists was placed near the entrance of one of the Engineering buildings. USAC (UCLA student
9 government) member and cultural affairs commissioner, Alicia Verdugo, who is known to use her
10 social media platform to depict the blood libel stereotype of Jews and celebrate the massacre of
11 October 7, placed this figure.
12

13 27. During the spring quarter of 2024, 04/29/2024, my Labor Studies 101-Social Movements in
14 Los Angeles TA, Anna Robinson-Sweet, posted an alternative opportunity for the class to join the
15 Palestinian solidarity encampment that took place on the Royce quad area. This announcement
16 promoted the illegal encampment activities that occurred during the week of the 29th and encouraged
17 students to participate in an activity that promoted hate speech.
18

19 28. On 05/02/2024, the Labor Studies Department, signed by Tobias Higbie and Chris Zepeda-
20 Millan, sent an email that addressed the encampment situation. In the email they used language such as
21 “peaceful protesters” and have claimed that the “sweep of the protest camp last night was, in our
22 opinion, wholly unnecessary.” Despite the illegality of the encampment and so-called “peaceful
23 protesters,” barring Jewish students from their classes implies bias on behalf of the Labor Studies
24 department of UCLA in supporting illegal measures taken on campus to protest.
25

26 29. Defendant University is a California state-owned University, public nonprofit corporation
27 controlled by its Board of Regents, known as the Regents of the University of California.
28

30. The true names and capacities of defendants named herein as “DOES 1 through

1 100, inclusive,” are presently unknown to Plaintiffs. Plaintiffs will amend this Complaint to
2 insert their true identities as soon as they are ascertained.

3 30. The true names and capacities of defendants named herein as “DOES 1 through 100” are presently
4 unknown to Plaintiffs. Plaintiffs will amend this Complaint to insert their true identities as soon as
5 they are ascertained.

6
7 31. Each defendant is the agent of his or her co-defendant and in doing the things complained of
8 herein was acting withing the scope of such agency.

9 CLASS ACTION ALLEGATIONS

10 32. This is a class action filed pursuant to the provisions of Code of Civil Procedure section
11 382, which provides in pertinent part:

12 “[W]hen the parties are numerous, and it is impracticable to bring them all before
13 the court, one or more may sue or defend for the benefit of all.”
14

15 33. Liana sues in her individual capacity as a Jewish Student who suffered harm as a result of
16 Defendant University’s conduct and as a representative on behalf of all other similarly
17 situated Jewish University Students.

18 34. Plaintiffs will seek leave of Court to amend this Complaint to also include a subclass of
19 Jewish Faculty members.

20
21 35. The class is ascertainable and sufficiently numerous. Plaintiff is informed and believes there
22 are thousands of similarly situated Jewish Defendant University Students.

23 36. The Faculty Member subclass is also ascertainable and sufficiently numerous. There are over
24 7,000 full-time faculty members and a substantial number are similarly situated Jewish
25 faculty members.

26 37. The Jewish Student and Faculty members share the same common interest of wanting to be
27 safe and free from campus terrorism and anti-Semitism, and safe and free from other harm,
28

1 including assault and battery. Plaintiffs also have common interests of freedom of travel,
2 access, and passage.

3 38. Judicial economy and efficiency will be best served by treating and certifying this matter as a
4 class action given the numerosity of Plaintiffs, common issues of fact and law involved, and
5 related issues.

6
7 39. This case is not subject to removal to federal court under the Class Action Fairness Act
8 because the State of California is a party to the action. Additionally, this matter presents a
9 home state or local controversy involving California law and California and Los Angeles
10 based students.

11 FIRST CAUSE OF ACTION FOR VIOLATION OF THE BANE CIVIL RIGHTS ACT
12 (CALIFORNIA CIVIL CODE SECTIONS 52.1) AGAINST DEFENDANT UNIVERSITY AND
13 DOES 1 THROUGH 10, INCLUSIVE
14

15 40. At all times herein mentioned, Defendant University had a duty to protect Plaintiffs from
16 physical and psychological and emotional harm on Campus and to protect Plaintiffs from
17 discrimination and anti-Semitism. Plaintiffs also had the right to practice their Jewish faith
18 and in so doing to be free while on campus from threats, intimidation, or coercion, .

19 41. The essence of a Bane Act claim (California Civil code section 52.1) is that the defendant, by
20 improper means – threats, intimidation, or coercion – tried to or did prevent the plaintiff from
21 doing something he or she had the right to do under the law (attend school discrimination-free
22 and free from physical harm and terrorism) or to force the plaintiff to do something he or she
23 was not required to do under the law (such as unlawfully force Plaintiffs to study remotely
24 while terrorists ran amok at the Defendant University). *Venegas v. County of Los Angeles*
25 (2004) 32 Cal. 4th 820, 841-43; *Austin B. v. Escondido Union Sch. Dist.* (2007) 149 Cal. App.
26 4th 860, 883.
27
28

1 42. In this case, Defendant University improperly permitted a dangerous condition to exist on the
2 Defendant University's UCLA Campus by enabling, encouraging, permitting, negotiating
3 with, and aiding and abetting the Campus Terrorists, as alleged herein above, endangering the
4 life, liberty, and property and dignity of Jewish Students and Faculty members.
5

6 43. At all times herein mentioned, Defendant University interfered with Plaintiffs' civil rights by
7 creating a dangerous condition on campus and encouraging and enabling the Campus
8 Terrorists and permitting them to set up the Encampment to threaten Jewish Students and
9 Faculty for the purpose of committing or threatening to commit violent acts against them.

10 44. At all times herein mentioned, Plaintiffs reasonably believed that if they exercised their
11 Jewish faith or identified themselves as being Jewish or Israeli, the Campus Terrorists would
12 commit violence against them or their property.
13

14 45. The Campus Terrorists, with the permission and consent of Defendant University, injured
15 Plaintiffs and their property for the purpose of preventing them from exercising their right to
16 freedom of religion, faith and race, or to retaliate against them for having exercised such
17 rights.

18 46. Defendant University violated the Bane Act by preventing Plaintiffs from gaining free access
19 to a safe environment that non-Jewish Students and Faculty have. The Defendant University
20 created a hostile working environment as a result of the jew-hating vitriol spewed by the
21 Campus Terrorists and allowed to continue on Campus.
22
